

# 2022 ConsignPro Product Catalog

Products and services specifically  
designed to make you a more  
successful reseller!  
(hint: do not discard!)

# Version 11.0 Now Available!

## Owner's Message

It is my pleasure to share with you some of the newest ConsignPro Features and Add-Ons that we currently offer via this new Product Catalog.

In addition to our extremely popular ConsignPro Software, we also can fully automate your point-of-sale counter, provide great online tools, and offer a wide range of add-ons *to simplify your workflow, making you more profitable.*

Please enjoy our newest offerings, I'm confident you will be surprised by some of our most recent additions!

Sincerely,  
Brian Wilson  
ConsignPro Creator

## Software Licenses

Single User License  
\$1,495

Our flagship product, ConsignPro, completely automates all aspects of your resale business!  
EZ Lease, \$129/month

Network Licenses  
\$395 each

Divide up your workflow with additional computers in your store, each running a ConsignPro Network License.

Multi-Store Connector  
\$295

For multi-store owners, this license allows you to connect your locations and share consignor balances, gift cards, and exchange inventory!

## Software Licenses (cont.)

Remote Data Entry  
\$295

Our Remote Data Entry license allows you, your team, vendors, or consignors to add items to your database from any connected device.

Print-At-Home  
\$79

With this new feature, your consignors can print bar-coded inventory labels at home, on their own full-page printer. Requires RDE license.

Women's Pricing Database  
\$195

We've built a women's fashion pricing database, that includes nearly 1000 brands. It ensures that you set consistent prices as you add inventory.

## Software Packages

**CP Gold Package**  
**\$2,150**

Our Gold Package is great for high-volume stores as it combines fast tag printing on our Zebra thermal ticket printer with the accuracy of a wireless scanning gun.

**CP Platinum Package**  
**\$2,625**

Fully automate both your intake and checkout processes with our thermal tag and receipt printers, electronic cash drawer, and wireless scanning gun.

**CP Turnkey Package**  
**\$3,675**

Our Total Turnkey Package includes everything in the Platinum Package plus a beautiful new CP:Advantage All-in-One Touchscreen PC.

## POS Hardware Options

**Wired Scanning Gun**  
**\$99**

Adding our scanning gun to your system allows you to make sales faster and more accurately on our Make Sale screen.

**Wireless Scanning Gun**  
**\$139**

Our wireless scan gun option can read barcodes from up to 10 meters making it easy to sell both new and consigned items, without the cord!

**Star Receipt Printer**  
**\$339**

For professional looking customer receipts, our Star thermal receipt printer is a must-have for the busy shop. No ribbons or toner to replace!

## POS Hardware Options (cont.)

Electric Cash Drawer  
\$189

Our all-steel, locking, cash drawer automatically opens when you make a sale and turns your computer into a cash register!

Zebra Tag/Label Printer  
\$595

For great looking tags or labels, add our Zebra thermal tag printer to your system. No ink or toner to replace ever!

LCD Pole Display  
\$279

The pole display connects to your computer to display sales information to your customer as you ring up a sale on our Make Sale screen.

## Online and Web Services

### Online Store Builder \$24/mo. (starting)

Sell your items in your very own online store. Your store will be open 24/7 for customers. Complete integration with ConsignPro!

### Social Data Bridge \$99

The Social Data Bridge connects your online store inventory to both Facebook and Instagram, allowing you to create shoppable postings.

### Google Shopping Feed \$99

The Google Shopping Feed makes the inventory in your online store available to the Google Shopping search engine.

## Online and Web Services (cont.)

**Social Add-On**  
**\$99/mo. (starting)**

Our Social Add-On automates the posting of items from your ConsignPro Online Store to both your Facebook & Instagram accounts.

**MyResaleWeb.com**  
**\$179/year**

Our MyResaleWeb.com service allows your consignors to view their accounts online 24/7. Balances, activity, and inventory, are displayed.

**Cloud Data Backup**  
**\$89/year**

Save yourself in the event of a hard drive failure by backing up your ConsignPro database to our web server every evening during Shutdown.

## Other Goodies

### Database Tune-Up \$69

If you've been using ConsignPro for five years, or more, our database tune-up will improve the performance of ConsignPro.

### Annual Support Plan \$250/year (starting)

Our Support Plan includes unlimited technical support and Version Updates to ConsignPro. Stay current and never miss a new feature!

### MyResaleWeb Biz Cards \$95 (1000 cards)

Build consignor loyalty and help new consignors find their accounts online with these great looking marketing cards.

## Other Goodies (cont.)

All-In-One Computer  
With Touchscreen  
\$995

Our stylish All-in-One 24" touchscreen computer is the perfect system to run ConsignPro and all of our POS hardware on!

PayPal & Venmo Payouts  
\$1/payment

You now have the ability to pay your consignors or vendors via PayPal or Venmo, right from ConsignPro Version 11! The cost is only \$1 per e-Payment, with the option to pass the fee along to your consignor.

LIVE Software Training  
\$150/pp

Every Winter we do a LIVE Customer Training Event in a Caribbean location. You'll learn everything about ConsignPro from its Creator!

## Other Goodies (cont.)

White-Label Option  
\$1,495

Brand ConsignPro with your own name, logos, colors, and fonts. All “ConsignPro” branding is replaced with yours. Great for franchisors!

Webinar Series  
\$250

We have a series of 10 YouTube training modules that teach you the in-s and out-s of ConsignPro! See all our Topics at: [ConsignPro.com/webinar.php](http://ConsignPro.com/webinar.php)

ApplePay Terminal  
\$Call

Process credit/debit cards, ApplePay, and GooglePay with our *integrated* credit card terminal. Requires signed merchant agreement.
